About Warangal

Warangal, popularly known as 'Orugallu' or 'Ekashila Nagaram', is the largest city of State Telangana located at a distance of 148 kms from the State Capital of Telangana. This region has provided a strong base foundation of Shatavahana and Chalukya emperors and was ruled by Kakatiya kings during 1001-1323 A.D. During the period the region was acknowledged as centre for cultural development, learning, art and architecture made a significant progress. The real beauties of temples located in this area discover the age of old capital of Kakatiya Kingdom. The rich culture and heritage is still maintained even to date. The amazing Thousand Pillars Temple, the Bhadrakali and the Padmakshi temples, the Warangal Fort, and Pakal Lake, Ramappa, Laknavaram Lake and Sammaka and Saralamma Jatara other destinations are the potential tourist spots of Warangal District.

About the College

The University Arts & Science College, Kakatiya University is the oldest Higher Educational Institutional located in the North Telangana Region. It has many distinctions to its credit. It is re-accredited by NAAC with 'A' Grade, with Autonomous status. It is one of the few colleges in the country to be recognized as a College with Potential Excellence by the UGC and Star College by the Department of Bio-Technology, Government of India. Evolution of this educational institution can be traced back to the year 1927 when intermediate section was added to the then Collegiate High School, Hanamkonda. The College is now offering as many as 42 different courses (32 UG and 10 PG) handled by 29 different departments/faculties with different combinations.

About the Department

The Department is the biggest in the college campus, has been making intensive efforts to improve its profile by serving the different communities of Rural background in the form of imparting education through both UG & PG courses like B.Com, B.Com (Computer Applications), M.Com and Professional course i.e., MBA offering with various specializations like Finance, Marketing, Human Resource Management and Systems. So far, the department has organized National Level Seminars, Workshops, Symposiums and FDPs for teaching fraternity. The students of the department have also been organizing a Students' Management Club named VEDA, which empowers activities by the name MEDHA – An Annual Management Students event.

State Bank of Hyderabad was kind enough to strengthen our efforts by offering a one-time donation of Rs.50 lakhs for the construction of building in the name of School of Management to develop its infrastructure. With this, faculty and students of the school has been provided with better amenities. The University has also approved for the construction of the building with an estimate of Rs. 1.5 crores. Steps are ahead of providing better management education for "Growing with Competence of beyond Comparison".

About the Seminar

In light of the new breed of Reforms starting from 1991 to till date, the Indian Economy, corporate climate and Fiscal policies have boosting to develop nation into more vibrant and brighter India. All these reforms raise the question whether they really boost the growth of India or not. this debate needs to be addressed to unveil the brighter shadows to look into deep to get insights to plan better Reforms to make our nation as a developed and sustainable. In these lines we thought it as an appropriate to provide a dais for discuss the past, present and future Reforms by inviting eminent thought minds, researchers and academicians from various corners of India to discuss in-depth and come out with better suggestions to enable the policy makers to formulate better policies to build a brighter nation.
